WHAT YOU GET

EVERY INTERVIEW PACKAGE INCLUDES

01 **Live on-air interview**

Sat down with hosts DWI & Castis, in studio, live on the show.

02 **Broadcast on Party 101.9 & iHeartRadio**

Going out to the live radio audience as it happens.

03 **1–2 songs of your choice**

Your music played on air during the segment.

04 **Professionally recorded for YouTube**

Filmed and captured in the studio, not a phone in the corner.

05 **Edited full episode**

The finished cut, published and yours to share.

06 **Promotional video clips**

Short cuts built for Reels, TikTok and Shorts.

07 **Professional photo with the hosts**

Taken after your interview, for press and socials.

08 **Your story, on the record**

Music, career, upcoming projects, accomplishments, and where the work comes from.

WHY ARTISTS BOOK IT

You leave with three things on the same afternoon: **airplay** on a station people actually listen to, **an episode** that lives on YouTube and keeps working long after the broadcast, and **a folder of clips and a photo** you can post that week. One booking, a month of content.

BOOKING THE ROOM

The show is live Monday to Friday, 2:00–4:00 PM. Interview slots are set inside that window, so book the date first and we'll place your segment. Arrive 20 minutes early for sound and photos.

ADD-ONS

MORE THAN THE INTERVIEW

Extra promo clip pack

Five more short-form cuts from your episode, captioned and sized for Reels, TikTok and Shorts.

Studio session, hourly

The room, an engineer and multicam for your own podcast, content day or press run.

Remote interview

For artists out of the city — recorded remotely, same edit and same clips. Travel billed separately if we come to you.

Sponsor spot on the show

Reads on air across the week. Quoted on where it lands in the schedule and how long the run goes.

Photo set

A shoot in studio around your interview — edited stills, not just the one press photo. Quoted on shoot length and how many finished images you want.

COME PREPARED

WHAT TO SEND BEFORE YOU COME IN

01 Your 1–2 songs

Clean, mastered files. WAV or 320kbps MP3, at least 48 hours before air.

02 A short bio

Five or six lines the hosts can read from — who you are and what you are here for.

03 Links and handles

Streaming, socials and anything you want named on air, spelled the way you want it said.

04 Cover art or a press photo

Used on the episode artwork and in the promo clips.
